INSIGNIA REPORTING LETTER
Reporting Year 2016 - January 1 to December 31
**REPORTS DUE
1 FEBRUARY 2017**

Chapter Regents,

It has come to the attention of our National Insignia chair that we are unable to obtain accurate figures from Hamilton's on the numbers and amounts of insignia ordered by our members.

Therefore, we will begin to gather information on our member insignia purchases in order to report our members' purchases to the National Society.

Attached is a report form for your use in obtaining and reporting the numbers and amounts of insignia purchased by your chapter members through our 2016 reporting year.

Please gather this information, complete and return this report to me by **1 February 2017**, so that I might accurately report to our National Society the insignia purchased by our members.

In DAC friendship,

Lisa Kight Alcalá'
Insignia Chairman - Texas State Society Daughters of the American Colonists
